Re: Notice of Exploration File Closure, Lisbon Valley Copper Exploration Project, E/037/085, San Juan County, Utah

Dear Mr. Prescott:

It has just come to our attention that we failed to officially notify you that as of July 20, 1998, the Division closed this exploration notice and retired the Lisbon Valley Copper Exploration project file. The remaining disturbances associated with this exploration project were absorbed by the large mine project and reclamation bond under file number M/037/088.

We apologize for this oversight. If you have any questions regarding this file closure, please contact me at (801) 538-5267.

Sincerely,

Anthony A. Gallegos
Senior Reclamation Specialist
